

Lilly Diuble

Secretary and Co-Founder, Diuble Family Vision

Lilly has been there from the creation of Diuble Family Vision. Because of her take charge attitude and desire to make a difference, we started our journey.

Lilly was born with hearing and vision loss and has worn hearing aids and glasses since a young age. After years of testing and research, her doctors have diagnosed her to have PRPS1, an incredibly rare genetic disorder. There is currently little to no knowledge or research being done on PRPS1.

Lilly has an incredible drive to make the world a better place as she holds numerous leadership and membership roles. She is the Walk Chair for the Foundation Fighting Blindness Michigan VisionWalk, Deaf/Hard of Hearing consultant on the DeafBlind Central Advisory Council, Deaf/Hard of Hearing (DHH) Guide with Michigan Hands and Voices, the Logistics Director for MYLead Conferences, and is the Social Media Chair for the Saline Lions Club. Lilly is an active volunteer for Bethel Church and the Saline Community Fair.

Lilly currently serves as the Secretary for Diuble Family Vision.

"Don't worry about failures, worry about the chances you miss when you don't even try."

– Jack Canfield
