

Katelyn Schauble

EMT-P, B-HCM • Board of Directors - DFV

Katelyn is a paramedic with over twenty years of experience in health-care including long term care, emergency medicine, and critical care. She holds a bachelor's degree in Health Care Management from Excelsior College. She is a valued team member at Emergent Health Partners where she works in the communications center.

Katelyn has served the community through various volunteer positions including over a decade as a member of the Saline Community Fair Board of Directors. During that time, she has worked to enrich the children's programming and emergency preparedness of the organization. She believes that community service is an important core value and is working to inspire future generations to find ways to serve their own communities.

Katelyn currently serves as Vice President on the Board of Directors for the Diuble Family Vision.

"If you change nothing ... nothing will change."
