

Abby Diuble

Treasurer and Co-founder of DFV

Abby has been there from the creation of Diuble Family Vision. It is because of her take charge attitude and desire to make a difference, that we started our journey. DFV began because Abby wanted to ensure the safety of her sister and others like her in emergencies.

She has an amazing vision and heart, which has played a key role in the continued development of the foundation. Abby has held many leadership roles in different groups that have and continue to make the world a better and brighter place. Abby is a published author as her story was written in *Young Divas that Care: 17 Incredible Journeys by Young Female Changemakers Committed to Making a Difference in Our World*, compiled by Candace Gish.

Abby currently serves as the Treasurer for Diuble Family Vision.
